Dear Secretary,

I am writing to request a waiver for the listed erate 471 submissions. These were submitted on April 9, 2012; the Erate Window has closed on March 20, 2012.

We are a small school district in rural Maine. As Technology Coordinator, I am the only one that files the erate paperwork. Unfortunately, I have been away much of the late winter with a family medical issue. Subsequently, there was a delay in the filing of the 470 forms.

I appreciate your consideration in this matter. Our district heavily relies on erate funds for telecommunications

Sincerely yours,

*Ronald E. Smith*
